OUTLOOK FOR TVA POWER IN CITY HAS IMPROVED

20% Reduction in Rates Is Promised for Murray Users

The outlook for Murray's obtaining TVA electric power improved considerably during the past week, according to Mayor George Hart.

TVA officials have made a survey of the local electric property and have arrived at a figure which they think is a fair value, but are not yet ready to reveal this figure. (Recently negotiations for the purchase of the local power facilities by the city of Murray came to a standstill, largely because of the price set on the facilities by the bonding houses representing the city, and partly because of TVA officials' warning to "make haste slowly" before any purchase was made.)

Last Friday three TVA officials, Walter Seymour, director of power utilization, E. J. Muir, chief of the power contracts section, and Philander Claxton, Jr., attorney in the legal department, all from Chattanooga, Tenn., were in Murray for a conference with Mayor Hart and members of the city council.

They came here from Hopkinsville and continued to Mayfield as a part of an inspection tour they are making in this section regarding the contracting for TVA power by municipalities.

They stated that Murray residents could expect a 20 per cent reduction in rates immediately after the purchase of local facilities was made. (If it could be made), but that actual TVA power from the dam would not be available for at least two years—that is, until the Gilbertsville dam was completed. After that a further reduction of rates could be expected, they said.

If Murray were to buy the local electric facilities from the Kentucky-Tennessee Light and Power company, it would still have to continue receiving power from Mayfield as it is at present, they pointed out. There is no TVA power available from Tennessee.

The meeting last Friday was only a prelude to a much more important meeting to be held in the near future, it was pointed out.

Mrs. J. L. Linn Dies; Funeral Held Sunday

Funeral services were held Sunday afternoon at 2:30 o'clock at the Locust Grove church for Mrs. J. L. Linn, who died Saturday night at her home on North Sixth street.

Services were conducted by the Rev. Sam P. Martin. Burial was in the city cemetery.

Mrs. Linn was 71 years of age. She had lived in the Locust Grove neighborhood all her life up to three years ago when she and Mr. Linn moved to Murray. Shortly thereafter she suffered a stroke and had been in poor health since. The immediate cause of her death was pneumonia.

She was a member of the Locust Grove Baptist church. Before her marriage she was Miss Lila Kipp.

Surviving are her husband; three daughters, Mrs. Ola Courson of Davenport, Iowa, Mrs. Mildred Anderson of Murray, and Mrs. Nancy Martin of South Bend, Ind.; and three sons, Jesse of Atlanta, Ga., Porter of Murray and Charlie of Paducah.

Among those from out of town who attended the funeral were: Mrs. Joe T. Odle, Mrs. John Lowe, Mr. and Mrs. Burley Griffin, Mrs. Zenith McClure, Mrs. McBride, Mrs. G. R. Emerson, Mr. and Mrs. O. B. Futrell and Jean, Mr. and Mrs. Huel Trevelyan, Mrs. Boyce Jones, Mrs. M. K. Trevathan, Mr. and Mrs. A. M. Tutor and Dickie, Mrs. A. L. Wallace, Mr. and Mrs. Nevil Outland and children, Mr. and Mrs. Dallas Stubbins, all of Paducah, Mr. and Mrs. Charlie Stone, Alene Yares and Beaton Giles of Crutcheville, Ky.; and Mr. and Mrs. Alvin Eldridge and daughter of Paris, Tenn.

Charles Stamps, U.S.N., Visits Parents Here

Charles Stamps, son of Mr. and Mrs. J. M. Stamps of near Murray, left Sunday for Great Lakes Naval Training Station, Great Lakes, Ill., after spending two weeks visiting relatives and friends in Calloway county. Upon his return he will attend Hospital Corps School for the next six weeks.

N.Y.A. Youth Make Army Equipment

With training of war workers and production of war goods the dual aim of the National Youth Administration, 2,300 youth in Kentucky's 18 N.Y.A. shops (one of which is located in Murray) are preparing themselves for war jobs and for service in the armed forces by producing thousands of essential articles for the army.

During the past three months these youths, the majority between the ages of 17 and 20, made for the army more than 20,000 metal articles including gun parts, anti-aircraft pedestals, tank landing ramps, road mountings, field kitchens, firing pins, machine parts, tools and first aid brackets. In producing this equipment, youth learn to operate milling machines, surface grinders, drill presses, metal shapers, metal lathes, spot and arc welders and other war production machines.

Machinery in N.Y.A. shops is similar to that used in war industry.

When youth have mastered these machines they are ready to take their places on industrial production lines. Three months is the average time required to prepare an inexperienced youth for a war job.

Each month approximately 500 youth leave Kentucky N.Y.A. shops for jobs. Already more than 750 Kentucky youth, representing 71 counties, have been sent to Connecticut, Maryland and New Jersey and now have jobs with the Glenn L. Martin Bomber Co., Youghal Sikorsky Aircraft Co., Remington Arms Co., Hamilton Propeller Co., U. S. Aluminum Co., Electric Boat Co., and other war production concerns. In addition a number join the armed services where they can apply their skills in the use and maintenance of fighting equipment.

Machinery in N.Y.A. shops is similar to that used in war industry.

Tire Rationing Members Form Volunteer Army

There are more than 21,000 members of tire rationing boards in America—members of boards in each of the 3,070 counties in the country. Some counties with large populations have several boards.

These boards form a new volunteer army in America. And they are having their difficulties because of the actual shortage of rubber. Leon Henderson, price administrator, states:

"We will not only have to do without tires but we will also be without a multitude of other rubber articles which have become essential parts of standards of life. I am not trying to scare anyone unnecessarily. I am simply stating hard cold facts."

Elmus Beale, chairman of the Calloway board, seconds these remarks with the statement that "there is not enough rubber for three allotments to this county to supply each person with one inch of rubber."

There is practically no need for anyone except in Class A to apply, he states. These include doctors, policemen, drivers of school buses, and coal, ice and milk trucks.

One thing emphasized by Mr. Beale is that no one needs to secure a certificate to purchase a used tire.

The local board, serving without any pay whatsoever, is being bothered by so many people who want certificates for tires but do not come within the group permitted to buy that the task of the local board is doubly difficult. "If this does not stop," Mr. Beale stated, "we will have to close the office except for one day a week."

Inside?

In this newspaper you will not find all the news on the front page. The editor deliberately places the news throughout the paper on every page.

There are many items of local interest missed by those who read only the headlines on Page 1. Remember, the inside of this paper are not filled up with plate and unimportant junk.

One feature on the editorial page that is especially good is "This Week on the Home Front." If you want to know what this war is doing to YOU—and it is very important that you do know—read this column every week. It is prepared by your government for you.

QUESTIONNAIRES BEING SENT TO MEN AGES 20, 35-44

Information Needed To Classify Men Registered Feb. 16

The local Selective Service Board is mailing out questionnaires to the 1,175 men who registered in the third draft on February 16.

The questionnaires are for the purpose of obtaining information about each person so that all may be properly classified.

The board has announced that these forms must be filled out completely and immediately returned. Any one who changes his address must notify the board without delay.

The questionnaire has eight pages. The information given in it is confidential, and the signature to it must be sworn to.

Knitters Badly Needed At Red Cross Office

A large amount of yarn was received in the last local Red Cross quota, and women who can knit are badly needed in the local production corps.

All those interested are urged to get in touch with Mrs. A. M. Wolfson, knitting chairman, as soon as possible.

Largest Neon Sign Put Up By Lermans

The largest neon electric sign in Murray was installed last week by Lermans Bros. store, corner of Main and Fifth, as a part of the general remodeling scheme of the store.

The first move of William Packman, manager of the local store, was to have the store redecorated, and Frank Farnoff, field manager for Lermans Bros., were in Murray Monday going over blueprints for remodeling of the first floor and basement of the store. These floors are to be finished in maple and equipped with maple fixtures.

The windows and front of the store have already been completed. Nurse Aide Course to Start Friday

Another nurse's aide course, the second in Murray, will be organized at 4 p.m. Friday (tomorrow) afternoon in the home nursing room in the Peoples Bank building.

Already 10 women have expressed their desire to take this course, and it is hoped that others will join. Any woman who is a high school graduate and is between 18 and 30 years of age is eligible.

The course consists of 34 hours of classroom work and 45 hours of actual hospital practice. Further information can be obtained by calling Mrs. W. J. Caplinger.

Serial Order Nos. For Men 20 to 44 Ready Next Week

The serial and order numbers with the names of all men 20-21 and 35-44 who registered February 16 first draft in Calloway county will be published in next week's issue of the Ledger & Times on April 9.

Watch for this paper if you registered, and check your name in the list. By your name will be your serial number which is the number on your card at the draft board. By the serial number will be the order number—which determines in what order these men will be called into duty.

Red Cross Nutrition Course to Start Soon

All persons who are interested in taking the Red Cross Nutrition course are requested to call Mrs. High Houston, phone 90, who will act as chairman of the nutrition committee. Plans are now being made to offer this valuable course at an early date.

Pond, Terrace Machine To Begin Working Soon

The power terracing and pond digging equipment now owned by the Calloway Lime Cooperative will probably begin operating by the middle of April, it was announced yesterday.

The board of directors of the Lime Co-op has not, to date, set the price, but the farmers desiring either ponds or terraces constructed should immediately place their orders with the Lime Co-op at the County Agents' office or with one of the members of the Board of Directors. Members of the board are: B. D. Edmonds, Rudy Henson, Herbert Perry, O. V. Tidwell, C. B. Tidwell, H. G. Gingles and Johnnie Walker.

Sgt. E. S. Jones, son of Mr. and Mrs. C. G. Jones of Almo, Route 1, has been promoted to the rank of first sergeant in the armored force at Ft. Knox.

Prospects For 300 Acres of Hemp in Calloway This Year

There are prospects that from two to three hundred acres of hemp will be grown in Calloway county this summer, County Agent John T. Cochran said yesterday.

This was after a meeting yesterday attended by 34 farmers who showed much interest in the request of the government that farmers raise hemp this year. The government is willing to pay \$8 a bushel for hemp seed. This year the entire crop is to be devoted to producing seed; next year's crop will be for fiber which will be used instead of Manila hemp.

Principal speaker at yesterday's meeting was W. C. Johnstone, of the University of Kentucky, who is an agricultural specialist and was himself reared on a hemp farm in Kentucky.

One of the farmers at the meeting said he planned to raise at least 100 acres of hemp this year.

C. Ray Bus Lines Direct to Mayfield

At a hearing before the State Motor Transportation Commission Monday, C. Ray Bus Lines were given permission to operate direct from Murray to Mayfield through Coldwater.

A petition by the Tri-State Transit Co. to come into Murray over the C. Ray Line from Paris and to Mayfield via Coldwater was denied.

A petition was filed by the Hanks Bus Co. to run from Paducah to Kuttawa and Edgelyville to Cadiz was denied, and C. Ray Bus Lines was granted a franchise to run from Cadiz to Princeton; and several minor encroachments on C. Ray Bus Lines were denied.

C. Ray Bus Lines have such complete accommodations for the territory covered it was not deemed necessary to interfere with the schedules.

Community Will Observe Good Friday

The community will observe Good Friday at a special service sponsored by the Christian, Methodist and Presbyterian churches in the First Methodist church on Good Friday evening, April 3, at 7 p.m. The Rev. T. H. Mullins of the Methodist church, the Rev. Leon A. Haring, Jr., of the First Presbyterian Church, and the Rev. H. L. Lax of the county Methodist churches will participate with Mr. A. B. Austin of the Christian Church who will speak in the absence of the Rev. Charles C. Thompson, who is conducting a preaching mission in Ashland this week. The theme for this service is "The Dying Savior: Eternal Words of Life." The preaching meditations will take the last seven words of the Master as their texts. Special music will be provided by the combined choirs of the three churches.

"Open House" at Ledger & Times Friday, Saturday

Public Invited to Inspect Remodelled Shop

The Ledger and Times will have "Open House" Friday and Saturday this week.

The public is cordially invited to visit our printing plant, which has recently been redecorated and remodelled.

Many people are not well acquainted with the intricate machinery that is used to print a newspaper. There are several thousands dollars worth of printing machinery housed in our plant, and it will be in operation Friday and Saturday for everyone to see. Every visitor who calls will be conducted through the plant and given an explanation of the various steps necessary to the printing of a newspaper.

Printed souvenirs will be presented to everyone who calls. No one will be asked to contribute the paper or to buy anything. The "open house" is purely for the purpose of acquainting the people with their newspaper plant and its management.

The management here feels that the operation of a newspaper is in a sense a public utility; and that the public should take an interest in their newspaper, become acquainted with the management and feel free to inspect the mechanical department in which that newspaper is printed.

During the past month the Ledger and Times has spent several hundred dollars redecorating and remodeling its building and shop. We are proud of the appearance of the office and shop and would like to "show it off" to you.

To the end that we may become better acquainted we cordially invite everyone to visit us Friday or Saturday. If you do not know much about how a paper is printed the visit will be of educational value to you—and we promise you it will be pleasant. Stop in!

Murray, Kirksey Eligible to Enter State Debate Tourney Next Week

Murray and Kirksey high schools are eligible to take part in the State debate tourney at Lexington April 8-11. This was decided at the Regional Speech Festival at Murray College last Saturday.

Trucks Now Hauling Co-op Lime From TVA Quarry to Calloway

The trucks delivering agricultural limestone from the TVA quarry to Calloway county farms began hauling again last week. These trucks will continue to operate until July 1, or until the stock of lime is worn out.

The contracts that the Calloway Lime Cooperative have with the AAA, TVA, and the truckers expire June 30. Whether or not new contracts at favorable prices can be made is questionable, and the supply of lime is limited. For these reasons Calloway county farmers who are needing lime are advised to place their orders immediately at the County Agent's office in Murray.

Lime bought from the Lime Co-op on a grant of air basis costs \$2.05 per ton delivered, that purchased for cash costs 65¢ per ton with the farmer hiring his own trucker. Carlin Riley, with whom the Lime Co-op has the trucking agreement is about caught up with current orders, so lime ordered now should be delivered this month.

VICTORY RALLY SIGNALS START OF BOND DRIVE

1500 Attend War Meeting Sunday at Murray College

A crowd estimated at 1500 attended the Victory Rally in the auditorium at Murray College Sunday afternoon—a rally which signalled the start of an intensified drive in this county for the sale of U. S. Defense Bonds.

Principal speaker at the rally was Dr. James H. Richmond, who had returned from Washington, D. C., only the day before, and who said in his speech that the mood among our leaders in Washington was one of serious optimism, in contrast to a somber feeling of pessimism noted in his visits there early in the year.

This change of feeling among our leaders in Washington comes, I think," he said, "from the very fact that the people of America are waking up to the realization that we are at war and must do something about it. Previously it seemed that the American people were not awake, and one of the high ranking officials told me then that, as he saw it, we had a 50-50 chance of losing the war—now the leaders are more confident, but do not underestimate the enormous effort we shall have to exert, nor the sacrifices we shall have to make to be victorious."

The rally started with a parade from the courthouse square at 1:30 p.m.—led by a state highway patrol car driven by Patrolman Charlie Adams. Behind marched the Murray high school band in uniform; members of the local post of American Legion, with Postmaster Harry Sledz carrying the Stars and Stripes flanked by color guards; a group of nurses' aides; a group of soldiers from Camp Tyson; next a considerable number of men who have registered for service in this war, with Carmie Hodson carrying a large flag and members of the others carrying small flags. Bringing up the rear was a motorcade.

Planes from the Knapp Flying Field flew over the city and college during the parade.

The program opened in the auditorium with selections by the college band. The invocation was given by the Rev. T. H. Mullins; the benediction by the Rev. Algie C. Moore of Hazel, Hall, Hoed, who acted as master of ceremonies, gave the welcome address. Vego E. Barnes, executive director of the Kentucky Unemployment Compensation Commission, gave a talk on the war and the duties of the people at home. "You who remain at home are just as essential to winning the war as those who go to the front," he said. "What we do down here, and not so much what Congress does, is what really matters."

The college quartet, accompanied by the band, sang "Any Bonds Today." Following this, Prof. Price Doyle led the audience in singing several popular World War I songs.

The next speaker was Col. Daniel H. Hogue of Camp Tyson who has been duty on Corregidor, Hawaii and Panama. "I do not know (See "Victory Rally," Page 7)

Dr. Carr Is Writing History of College

Dr. John W. Carr, 82-year old president emeritus of Murray State College, known as "The Grand Old Man of Murray," is working practically every day here compiling a comprehensive and detailed history of the institution for which he has labored since he became its first president in 1923.

Born December 13, 1859, in Greene County, Ind., Dr. Carr has been associated with schools since 1877 when he became a "Hoosier Schoolmaster" in his home county. Before coming to Murray as president of the college in 1923, Dr. Carr was state supervisor of high schools in Kentucky. His career as an educator and school administrator includes positions in Indiana, Ohio, New Jersey, Pennsylvania, and Kentucky.

In 1906 he was president of the department of superintendence in the National Education Association and he is today one of the few living ex-presidents of that department.

At Murray he has been president, dean, president again, deputy, and now president emeritus.

Jovial, conscientious, devoutly religious, and beloved by all, Murray's Grand Old Man is writing a history of the phenomenal growth of this college, toward a growth of which he has contributed so much.

23 Suits Filed in March; 8 Divorces

Of the 23 suits filed in the Calloway County Circuit court during March, 8 were divorces.

Divorce suits filed since March 18 include: Gladys Blanton vs. Roy Blanton; Ruby Hill vs. Bruce Hill; Ebbell Pettigrew vs. Benjamin Pettigrew; Sammie E. Connor vs. Elma Ingram Connor; and Stella Farley vs. Hoyt Farley, Sr.

The Ledger & Times Made Record Last Week

The Ledger and Times made a record last week with 169 advertisements in the 18-page issue, not including classified ads. These advertisements, solicited by the Woman's Club, represented almost all the business houses in Murray, Hazel and Lynn Grove.

The issue was dedicated to national defense, and was published especially to publicize the rally held Sunday, and the campaign which is now getting under way in this county for the sale of Defense Bonds.

Father of Mrs. Curry Dies in Jackson, Miss.

B. W. Godfrey, father of Mrs. H. C. Curry of Murray, died suddenly at his home in Jackson, Miss., Sunday night. Mr. Curry had come from Bristol, Tenn., the past week-end to accompany Mrs. Curry and their daughter, Anne, to that city to make their home. The message came just before they were to leave Murray, and Mr. and Mrs. Curry left immediately for Jackson to attend the funeral services which were held Tuesday afternoon. They will leave later in the week for Bristol.

Mr. Godfrey had visited his daughter in Murray on several occasions, and many friends of the family here will regret to learn of his passing.

Hazel Future Farmers Hold Annual Banquet

The Hazel Chapter of Future Farmers of America held its annual Father and Son Banquet Thursday night, March 26, in the Hazel high school auditorium.

The program was opened with the opening ceremony of the organization. Afterward Ted Brandon welcomed the fathers and guests and John Tom Taylor gave the response. Billie Joe Strader gave the aims and purposes of the FFA organization and Will Frank Stealy gave the accomplishments of the chapter during the past year.

Mr. Max B. Hurt, assistant postmaster of the postoffice at Murray, delivered the principal address which was very interesting and encouraging.

Guests present were Max B. Hurt, assistant postmaster at Murray; George Hart, Bank of Murray; T. C. Arnett, county school superintendent; Ray Treon, Murray Milk Products Co.; Hansford Doran, president of Farm Bureau; A. Carmon, head of agriculture department of Murray State College; W. H. Brooks and J. H. Walston, teachers of vocational agriculture at Murray Training School and Kirksey high school respectively; J. H. Theobald and Clyde Jones, presidents of FFA organizations at Murray and Kirksey respectively; Harold Van Winkle, editor of Ledger & Times; Hunt Love, photographer; Jno. T. Camp Tyson Will Observe Army Day With 'Open House'

On Monday, April 6, Camp Tyson, the home of the United States Army's only Barrage Balloon Training Center, will conduct a special program in the observance of "Army Day" so that the citizens of West Tennessee and surrounding territory may witness a demonstration of training as it is carried on at the camp.

This year "Army Day" has a greater significance than ever before. We are engaged in a great war and many citizens do not realize the immense job confronting our nation.

Monday afternoon from 1:00 to 5:00 p. m. Camp Tyson will present an "Open House" where citizens may observe the effort and earnestness with which those in this Camp are preparing themselves for the part they will play in this war. The gates will be thrown open to the general public, so that all may see Uncle Sam's new Army going through their daily duties.

The program will depict the average training day of the different units of the camp. Various exercises, demonstrations, and exhibits will be held during the afternoon. Such display as a barrage of the latest type balloons, an exhibit of army vehicles, and a parade, are among the events planned.

1. To make our chapter better known we sponsored a radio program over WPAJ last year.

2. Entered FFA Field Day contest, held with Central High Chapter at Clinton, and ranked fourth in the district. We have our plans about complete for participation in the Field Day this year, at Murray Training School, April 4.

3. Representatives of our chapter attended the district livestock judging at Paducah.

4. Those representing our chapter at the State Convention at Louisville last August were Harold Grogan, Ordest Erwin, Bill Ed Hendon, and Calvin West, who received the state farm magazine.

5. Charles B. Starks, Gene White, and Joe Brown Wilson took part in the livestock judging contest at the state fair at Louisville last fall. They ranked in the upper one-third in the state contest.

6. We produced tomatoes on our own land last year for the Calloway County Vegetable Cooperative. This year we plan to grow potatoes.

7. The chapter cooperated with the county superintendent and school board members in the construction and equipping of our farm shop, which most of you have just been shown through.

8. Our chapter is also a member of the Farm Bureau, a national organization.

9. We also have a program of registered Duroc Jersey gilts. At the present time there are 10 gilts in the hands of various members of our organization.

10. Our chapter has also been testing the milk of cows in this neighborhood in the effort to improve dairying. The results of these tests have shown that the average cow's milk tested 4.3 per cent and the cow produced 4.57 above feed cost. In line with this work Rodney Vickers has purchased a registered bull for his herd and his community, and we are also taking part in the "Swat the Scrub Bull" campaign in this county.

11. We also have a thrift bank in which members deposit money for future use. Tommy D. Taylor is treasurer.

12. Several of our members took part in the Calloway County Fair last fall. The Hazel Chapter placed second in the number of blue ribbons won, and third in the total number of ribbons.

13. And last, but certainly not least in our accomplishments we are cooperating in the Salvage for Victory campaign. We have collected iron, paper, aluminum, and old tires. Our members are taking an active part in the repair of farm machinery. The chapter is buying defense stamps and various members are buying bonds.

Living From The Farm

RACHEL ROWLAND, Home Demonstration Agent

Even the little things we do on our farm daily will have an influence on winning the war. Just as automobile plants are being converted into airplane factories, our living habits must be changed to a wartime basis. Following are just a few suggestions:

Do you carry a market basket to the grocery? And do you ask the grocer to wrap each article or put it in a sack?

Have you been careless about left over fats? Do you usually cook just one thing at a time in the oven? How about using dried fruit instead of sugar on the breakfast cereal?

Do you have the radio on when you aren't listening to the program? Are there any old shoes in your closets which could be repaired and worn? Do you think cotton stockings are for "every day" wear only? Are your silk or nylon stockings given a bath after each wearing?

How will you protect your precious woolen clothes from moths this summer? Do you have some worn knitted sweaters or skirts that could be unraveled and knitted into something useful?

Do you and your neighbors share your cars, taking turns driving to work, church, club, etc.? Do you make unnecessary trips in the car? Are your tires always properly inflated?

It takes 26 automobiles to provide enough scrap to make a light tank of 15 tons and twice that number to make a 27-ton medium tank.

The Crippled Children

Easter Campaign is on. Again we are called upon to solicit help for the State Crippled Children Bureau, to aid in Hospitalization, braces and support of the local families.

The office of Dr. Outland, Calloway County Health Unit, with the usual fine help of Mrs. Melugin, the Calloway County Red Cross Chapter, with Miss Katie Martin, secretary and treasurer, who will be found at her desk at Turner's Store every day.

There are many calls for money, but none more worthy than this annual call for these unfortunate crippled children, they must have braces to enable them to walk at all, many must have treatment at the hospital and the semi-annual clinics held at Paducah for this section examines an average of 135 children each session.

A lack of time to spare and conservation of tires will prevent a strenuous personal campaign, but will rely upon schools, churches and civic clubs to do what they will and report to Dr. Outland's office or to Miss Martin and get receipts for all contributions.

We offer no apology for making this call for money to support this worthy cause, as we are requested to do so by the Bureau, and because we enlisted years ago to do anything possible for the unfortunate children, and you have always responded.

About 9,000 junked cars will provide for the hull of a heavy cruiser.

Faxon Still Leader in Better Bull Contest

Faxon high school is still leading in the "swat-the-scrub-bull" contest, with New Concord and Kirksey as runners up.

The following report on standings is as of March 30:

Faxon	485,000
New Concord	332,500
Kirksey	317,500
Lynn Grove	107,500
Almo	85,000
Hazen	62,500
Training	25,000

Individual standings of students:

Leroy Eldridge	232,500
Riecke Clark	215,000
Faxon	177,500
Kirksey	115,000
Chas. D. Johnson	95,000

With the entering of Lynn Grove, all schools are now listed in the contest.

There is just two months to go on this contest and now is the time to get all the cow owners in your district signed up. With the record as it now stands there is a good opportunity for any school that will work to become head of the list in a week's time, who wants to start doing?

Only 28 per cent of the nation's paper is now recovered, and about 50 per cent is lost through furnaces and rubbish heaps.

**Your FOOD DOLLAR
BUYS MORE
Here!**

Do you wonder how we can say that with food prices going higher and higher? It will be worth your while to read the following paragraph carefully:

From June, 1939, to February, 1942, all wholesale prices advanced 23.8 per cent over the entire country; and during the same time retail prices advanced only 12.1 per cent. Less than half.

Retailers have kept their prices down by selling on the basis of original cost rather than on replacement cost. They have voluntarily reduced their own profits and absorbed price increases that would otherwise have been passed on to the consumer.

This, we are proud to say, has been the procedure at Tolley & Carson's. Prices will advance more in the future, in all probability, unless the government puts a ceiling on them; but you can always buy with confidence from us—confident that you are getting quality foods with only a reasonable profit added by us over the wholesale prices.

FIRST METHODIST CHURCH
Rev. T. H. Mullins, Jr., Minister

Schedule for Sunday:
9:30 A. M. Church School.
10:30 A. M. Easter Services.
6:30 P. M. Social Hour for the College Group.
7 P. M. Young People's Meetings.
8 P. M. Program of Easter Music by the Choir.

All persons who do not have a church home in Murray are cordially invited to attend First Methodist Church. Men in uniform will find a hearty welcome. Come to church on Easter Sunday. Extra seating facilities will be provided at First Methodist Church so that there will be a place for all who come.

Easter Sunday Services:
Sunrise Prayer and Baptismal Service 6:45 a. m. A beautiful printed order of worship will make this a service to be remembered. Those wishing baptism may come prepared. If confession has not been made previously, opportunity will be offered.

Bible School—9:30 a. m. W. E. Moser, superintendent. The attendance goal is 250. This means that every member must be present. The special offering is for home missions.

Morning Worship—10:30 a. m. "An Easter Challenge" will be the pastor's topic. Special music and decorations will feature this great service. To assist in having an orderly service, please be on time. The Sunrise service will take the place of the usual night service. The pastor, who has been assisting in a revival service at Ashland, Ky., will return the last of the week. A feature of the services last Sunday was a beautiful offering of flowers from the Ashland church as a token of appreciation for the services of the pastor.

FIRST PRESBYTERIAN CHURCH
Leon A. Haring, Jr., Minister
Sunday, April 5, 1942.
10 a. m. Church School for all ages. Easter for the children; in worship and song.
11 a. m. Easter Worship. Special Easter music by Westminster Choir. Sermon: "The Fulfillment of Life."
7 p. m. Westminster Fellowship for college students. Special Easter Program.

FIRST BAPTIST CHURCH
Sam F. Martin, Pastor
In the absence of the pastor who is engaged in a revival meeting with the First Baptist Church at Scottsville, Ky., and the pastor Rev. Harry L. Green, Dr. John D. Freeman, executive secretary of Tennessee Baptist State Missions will preach morning and evening April 5. Dr. Freeman is one of the outstanding preachers, editors, writers, and leaders throughout the south. Dr. Freeman is a genuine Christian statesman. The people are urged to hear this great Christian and mighty preacher.

Church School will be conducted under the usual leadership and at the usual hour, likewise will the Training Union be conducted under the usual leadership and at the usual hour, also the Missionary Society and the Students work and the mid-week meeting.

The church and pastor earnestly invite all the people to worship here whenever the opportunity is afforded. The gospel will be presented in sermon and song, and fine helpful fellowship will be very much in evidence. Let every person who knows the way to the presence of the Almighty God who holds the nations of the earth in His hand, pray day and night unto Him for victory in the hearts of the people which we believe must precede a great and glorious victory on the various battlefronts, and in your closet of intercession remember all our boys in camp, on the high seas, and in actual fierce battle somewhere on the face of the earth, ask for God's protection, deliverance and success, also remember their families; every member that they may be supported by His mighty power, and furthermore pray that the

voice of the Holy Spirit may be heard in the hearts of the teeming millions of lost people in this day when the noise of war and battle is heard all over the earth.

Improved Uniform SUNDAY SCHOOL LESSON

CHRIST AND LIFE AFTER DEATH (EASTER)
LESSON TEXT—Mark 12:24-27; 1 Cor. 15:50-58.
GOLDEN TEXT—But thanks be to God, which giveth us the victory through our Lord Jesus Christ—1 Corinthians 15:7.

V for Victory! By that sign have many people indicated their confidence in a victory to come. It is well to have a victorious outlook, but it is even better to be able to look back to "victory" already attained. That is just what we are able to do as we consider man's great and final enemy—death. That victory has been won on behalf of all who believe, by the risen Christ of whom we think in a special way on this Easter day.

He is the Lord of the living, not of the dead; those who, even though they may have left this world, have only laid aside the corruptible body for the incorruptible. They are victorious, even as we are, over death.

I. Living, Not Dead (Mark 12:24-27).
The Sadducees, a rationalistic sect of Chazars' day, denied the resurrection, and so they were much distressed by His plain teaching of that truth. They therefore devised an intricate hypothetical case (see Mark 12:18-23) and sought to set a trap for Him. But they only caught themselves, for He pointed out to them and to the people that what was wrong with them was that they did not understand the Scriptures nor the power of God.

Then Jesus turned to them and in place of their fantastic "supposed" story He spoke of three real characters from the books of Moses which they taught. He said that God still calls Himself the God of Abraham, Isaac and Jacob, because though they had long been in their graves, they were still alive. God's fellowship with His people is not merely for the brief life span of this earth, but for all eternity. That fact, of course, carries with it the truth of the resurrection.

II. Incorruptible, Not Corruptible (1 Cor. 15:50-54).
Man knows that his earthly body is marked for decay and death. That fact is written in its very members. He also knows that such a body would be entirely inappropriate for heaven—for eternity. Is he then barred from God's eternal kingdom? No, indeed, for there is to be a glorious change—the corruptible shall put on incorruptibility.

Whether we shall tarry until Jesus comes and be transformed without dying, or when we shall await His coming for a time among those who sleep, there will come that trumpet sound, and in the twinkling of an eye we shall be clothed upon with incorruptible bodies like unto His glorious resurrection body (Phil. 3:21). There we have an assurance of victory already won on our behalf, which can and does strengthen our souls against the trials and sorrows of life.

III. Victorious, Not Defeated (1 Cor. 15:55-58).
When Satan after a long struggle finally had Christ's body laid away in the tomb, he thought he had the victory, but just then came his great hour of defeat.

"Up from the grave He arose,
With a mighty triumph o'er His foes."

"Death could not hold its prey," for it sought to hold one stronger than itself—the Lord of Life Himself. He had broken the bonds of sin by His sacrifice on Calvary; and since it was sin the violation of the law which brought death in the first place (Gen. 2:17, 3:1-13), there was now a complete victory over both sin and death.

The one who knows Christ need no longer fear death. For him it is not a leap into the dark, or going as a trembling wayfarer into an unknown land. President John Quincy Adams was right when, aged and frail, he replied to a question as to his welfare: "Quite well, thank you. The hour in which I live is tolerable and trembling, and I may soon have to move out, but I am quite well." He was ready for the departure into a better land and a better body.

Such a hope has a splendid practical application, which Paul stresses in verse 58. With victorious assurance the believer stands steadfast and unmoved at the center of life, while always abounding in the joys and duties which come at its circumference. Like the wheel, which can be useful only as its center is established and steady, so man can serve the Lord and enjoy a satisfying life only as he has the steadfastness of which Paul here speaks. We trust that it is your possession by faith in Christ. If not, make it so on this resurrection Sunday!

Sympathy to Mrs. Lucile Grogan Jones and Mrs. Poz Underwood in loss of their mother and to Mrs. Lee Key and children whose husband and father, Mr. 82, passed away last week. Bro. Roy Kelo made the funeral talk, at South Pleasant Grove, and the body was interred in the church cemetery. Mrs. Key and her family formerly lived in this vicinity at Crossland.

Duncan Ellis who was very ill a few days last week was given the pneumonia treatment by his physician Dr. Miller. I was at brother's bedside Sunday and found him feeling much better.

Miss Leola Erwin was a week-end visitor with her sister Mrs. R. L. Cooper and Mr. Cooper of Murray.

Mrs. Martha Paschall, near Edgehill, spent several days last week with her son L. W. and Mrs. Paschall an assisted the latter in quilting.

Mrs. Emma Miles and Mr. and Mrs. Lee Jones were Sunday visitors with their daughter and sister Mrs. Harley Craig and Mr. Craig of Mason's Chapel vicinity.

Dub and Bee Guthrie who spent several months working in Akron, O., have returned home.

Mr. and Mrs. Quiry Key had at their home a fish supper Saturday evening which was enjoyed by their children Mrs. Hester Hush Brown and baby and Mr. and Mrs. Orvis Key.

Mr. and Mrs. Tremor Miller and daughter were week-end visitors with their parents Robert Miller and family and Mrs. Effie Adams, returning Sunday to Nashville.

Mr. and Mrs. Hewlett Cooper, the former having closed his school near Fulton, are taking a few days' vacation with relatives.

Mrs. Eufaula Arnett Orr and children David Arnett Orr and Billie, the daughter visited their sister-in-law and aunt, Misses Daisy and Allie Orr of Mayfield last week.

Mrs. Porter Charlton's broken arm is much improved.

Mrs. Dennie Orr and daughter

and husband, Mr. and Mrs. James McReynolds of St. Louis, arrived Saturday for a visit with relatives among whom were Mr. and Mrs. Lee Myers and Mrs. Ella McReynolds. They returned to St. Louis Sunday.

Mr. and Mrs. Aubrey McReynolds visited relatives Saturday evening at Harris Grove.

Bro. Algie Moore will preach at South Pleasant Grove next Sunday morning at the close of Sunday school.

Last Thursday at the Paris District Zone meeting at Murray Methodist church, Mrs. Nina Miller McLarin of Paris spoke of the importance of Christians having a prayer list to pray God's blessings upon. We wonder if there are not many orphans in the Army who have no father or mother living to pray for them.

WE'RE YOUR HOME MERCHANTS—

WHAT ABOUT US?

We're your neighbors, your friends.

We pay taxes that help support your schools, build roads and streets, police the city and county, keep the city clean, etc.

We give liberally to the Red Cross, Junior Red Cross, Tuberculosis Fund, Infantile Paralysis Fund, Boy Scouts, local charity, and to the support of local churches. We have formed or-

ganizations devoted entirely to the betterment of this city and county.

Today we are buying Defense Bonds—buying until it hurts—and we are urging our employees to buy and buy until Victory is achieved.

We may have our faults, but we believe we measure up to the average country over—and the good Lord knows we try to do even better than that!

We Are the Business and Professional Men of Murray and Calloway County!

IN THIS TIME OF WAR WE CAN HELP YOU
SAVE TIRES AND SAVE MONEY

We can do this by offering you what you need to buy at right prices and in a variety and quality you want. We are spending our lives trying to run our businesses—businesses which render service to you. Now, in this time of war, we'd like to point out the importance of...

SHOPPING AT HOME

First, you save tires, gasoline, wear on your car, and time.

Second, you are dealing with home folks to whom you can make a complaint and who will listen to you. When you buy in a distant city and you find after you get back home that something you bought is unsatisfactory, you are quite a distance from the store to make a complaint. You have to make another trip or be delayed by writing a letter. If you do go personally, you may not even get to

see the manager who is upstairs in a private office and who is a stranger to you.

When you shop at home it is easy to go to the store where you have bought something that has proved to be defective and tell the manager about it. He is your friend and neighbor and is easily found. No time is lost in making an adjustment. He wants to keep your friendship and he will do everything he can to see that you get a square deal.

IT PAYS TO SHOP AT HOME

• You save money! • You save time! • You save tires!

Around Paschall School

Very sorry to report the death of two friends one of whom was a neighbor Lee Key, the other Miss Sally Paschall. Mr. Key was buried at South Pleasant Grove and Miss Paschall at Mill Creek. Mr. Key and Miss Paschall had a wide circle of friends who sympathize with the families.

Mr. and Mrs. Norton Foster and children, Joe and Fay, and Mr. and Mrs. James H. Foster and boys, Jimmie and John attended the bing at Paris Sunday.

Mrs. J. C. Paschall has been ill recently with a cold and pleurisy. Charles Morris purchased a nice car recently.

Mr. and Mrs. Arlis Byars were Saturday night guests of Mr. and Mrs. Ben Byars.

Mac Smotherman has been breaking his young horse recently with fine results.

Gardens are beginning to grow a little regardless of the big rains we've had.

Mrs. Norton Foster is planning on raising a nice bunch of poultry this year as Mr. Foster is erecting a new brooder house for the young flock of about 200 chicks.

Willie Everett was at Ben Byars' one day last week on business.

Miss Fay Foster while playing with some friends at her home last week fell on some loose gravel and fractured a knee. She was taken to Dr. E. Miller. The fracture was not serious but very painful.

J. P. Wicker who is stationed in Camp Polk, La., writes to Mr. and Mrs. Ben Byars he is well and doing the best he can in Army life.

Miss Clara Nance and Mrs. J. P. Wicker and Mr. and Mrs. Charles Morris were visitors in the home of Mr. and Mrs. Ben Byars and daughter Sunday afternoon and Mr. and Mrs. Norton Foster and children.

Joe and Fay were callers in the Byars home Sunday evening till bed-time.

Leola Paschall had a paralytic Sunday morning and died March 29—Golden Lock.

New Concord Clippings

We were called to Tennessee last week for a very sad occasion. E. H. Speelard brother of F. H. and Linus Speelard, Mrs. Johnnie Ahart and Mrs. Loney Cathey of Calloway, after lingering with typhoid for five weeks died last Thursday night. The funeral was conducted at Nevils' Creek Baptist church where E. H. had been a deacon. Reverends Nelson and Taylor, Methodist pastors of Dover, in charge of the services which a host of friends and relatives attended. The Dover Quartet furnished the beautiful singing. The Masses to which order E. H. belonged took charge of the services at the cemetery.

E. H., besides being a farmer and grocer, was serving for the third time as representative of his county and will be sadly missed.

Rev. L. E. Jones, pastor in Jackson, Tenn., filled Rev. Herbert Lax's apartment at Shur Spring Sunday. They expect to begin plans for the new church in Concord soon, since the old one must be moved for the TVA. A brick veneer is being considered.

Mr. and Mrs. Otis Lovins, Mr. and Mrs. Guy Lovins and Mr. and Mrs. Rainey Lovins were Sunday guests of Mr. and Mrs. E. W. Lovins. Little Miss Wilma Lovins has recovered from measles but is still suffering from the loss of her little dog which was over run by a car.

Mr. and Mrs. Tom Nance and Mr. and Mrs. Ed Nance are to be Easter guests of Mrs. Emma Nance. —Chatterbox.

New Fish and Game Code Is Passed By Assembly, Signed by Governor

The new Game and Fish Code bill, simplifying the Kentucky Game and fish laws and adding several changes in present laws, has been passed by both houses of the Legislature and has been signed by Governor Keen Johnson, according to a statement issued by S. A. Wakefield, Director of the Division of Game and Fish.

Included in changes of the Fish and Game laws are the following:

1. Any person who willfully and knowingly kills, injures, shocks or stuns, or attempts to kill or injure, shock or stun any fish by any explosive agent or similar substance shall be guilty of a felony and imprisoned not less than one nor more than three years and fined not more than \$500.

2. Any person who possesses a license—either hunting or fishing or trapping—and violates any provision of the Game and Fish laws, in addition to penalties provided therefore, also forfeits his or her license.

3. The resident mussel fishing license per boat has now been reduced to \$5 and the non-resident mussel fishing license per boat is now set at \$25.

4. No person shall use ferrets in hunting. A permit must be obtained within ten days after the person acquires possession of a ferret and one permit entitles the holder to keep any number of ferrets. A permit costs \$2.

5. No person shall take any channel or fiddler cat fish under 15 inches in length. Nor any jack salmon or wall-eyed pike, sand pike or sauger under 13 inches in length.

6. No person shall sell live bait to be used in angling unless he first obtains a live bait dealer's permit or license from the Division of Game and Fish for the sum of \$25. No live bait dealer shall export any minnows or crayfish from this state or sell them to any non-resident if he knows the non-resident plans to take them out of the state.

7. Reduce the size of bait seines from 4x10 to 4x5 feet, with mesh not larger than one-fourth inch.

8. A closed season on pond, bull or jumbo frogs from April 15 to June 15. A bag limit of 15 pond or jumbo frogs per day and a possession limit of not more than two days' bag limit.

9. Opossum and raccoon may be hunted and taken by dog only from November 1 to February 1, inclusive. The regular open season on these two game animals begins November 24 and extends through January 9.

10. Persons may hunt the red fox at night with dogs, for sport and not to kill, but this exception in favor of sportsmen shall not extend to anyone engaged in the business of a fur dealer or a trapper or professional hunter. The regular open season on the red fox begins December 1 and ends December 31.

11. Require the presence of hoop net tags on the net at all times.

12. No person shall use a gig other than one of the following sizes and dimensions: The gig shall not have more than four prongs, no prong shall be longer than 2 1/2 inches; the prongs shall be made out of not heavier than 14-gauge wire or metal and shall not have more than one barb on each prong; and the gig shall be attached to a pole which together with the gig will not exceed five feet in length.

13. The Fish and Game laws do not protect or limit in any way the taking of the Cooper's hawk.

Stella Gossip

The old two-story John Scarbrough, Clough Waterfield house at Stella which was "built so well" 80 years ago, now the property of Will Ray, burned up one day last week, together with land, meat and many other valuables. A few years ago Mr. Ray had built a new house nearer the Kirksey highway which did not burn. Bad luck on a hard working family at any rate.

Wade Crawford, other "kin" and friends have done good to me during my four months' siege of neuritis.

Mr. and Mrs. Connie Mills and Richard and Mrs. Ruth Angelo of Stella attended the giant war rally and street brass band parade at Murray college—modern style, grand and eloquent.

A lot of young folks went to town one night last week to see a modern spy "movie show" but it turned out to be an old, threadbare, worn out wild west, cowboy show on the bronco pony walling and weeping inviting your pity. Not a female in a 1000 miles. Money lost.

Dr. Jones saw Ellic Crouch, 81, of Stella at the blacksmith shop in the sunshine and he was inhaling fresh winter air and oxygen and told him it was equal to best of medicines.

Five coveys of quail out Stella way have not been molested by the hunter and his dog in three years. The quail are the most useful harmless bird the farmers have. Listen folks, I am too tired to write more at this time.

Miss Sallie Paschall Buried Saturday

Miss Sallie Paschall passed away Friday afternoon very suddenly of heart disease at the home of her brother, John Paschall, where she had been making her home for the past few years.

Funeral and burial services were held at the Mill Creek church where she was a member, Saturday afternoon with Bro. Hicks of Fulton officiating.

She is survived by one sister Mrs. LeRoy Nickles; one brother, John Paschall; one niece, Mrs. Maude Barton Orr, and a number of other nieces and nephews, relatives and friends.

The pallbearers were Ed Paschall, John Coats, Rice Humphreys, Haddock Paschall, Robert Coats, and Joe Branch.

• FORTY MILES PER HOUR

The speed limit in Kentucky is now 40 miles per hour—no more. Many people apparently are not aware of this, some of them to their sorrow, because officials have begun cracking down on speed violators. Especially is this true here in Calloway county. State highway patrolmen arrested three Sunday, four more Monday.

Another menace in Murray is fast driving through school zones and past school buses that are loading or unloading pupils. The police register at the city hall shows that several violators have been picked up and fined for these offenses during the past week.

Both in our quarterly court and our city court, the judges are backing up police officials who make the arrests by fining the violators without much delay or sympathy. This is highly commendable, but it does seem lamentable that only by this means can these violations be stopped. Drivers should realize that they are helping themselves when they drive slowly and carefully.

• OUR PATRIOTIC RALLY

High praise is deserved by the men who were in charge of the patriotic rally at the college Sunday. It was very successful, judging from the attendance, the excellence of the program, and the comments of the people who attended.

Everyone who had a part to take in preparing for the program did his part and did it well, and the entire parade and program went off without a hitch. That takes real cooperation, and an absence of the attitude of "letting the other fellow do it."

The campaign to secure pledges for the regular buying of bonds is now getting under way, and with the same zeal and cooperation as shown in preparing for the rally, there is no doubt but that it will be very successful.

When a Child Needs a Laxative

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAGHT contains the same principal ingredient which has enabled its older brother **BLACK-DRAGHT** to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

Mr. and Mrs. Jennings Turner have returned home after a 9-day visit to Hot Springs, Ark. They report a nice trip and like the hot baths.

Mrs. Tony Kirkland has a sore throat and cold.

Mrs. Lewis Lamb is much improved.

Mrs. Zada Stone of Springfield, Tenn., is visiting old neighbors and friends.

A. L. Bazzell is improved.

Mr. and Mrs. Truman Turner are home from North Carolina where he works. He will return to work Wednesday.

Mrs. Turner and daughter will remain at home. We wish Truman the best of luck.

Mr. and Mrs. Waylon Mitchell, Mrs. E. M. Duncan and daughter Edith of Paducah visited home folks over the week-end.

Mr. and Mrs. A. L. Bazzell and family extends thanks to those for their kindness and words of sympathy shown them during the stay of their daughter Bettie Jo at the Mason hospital and also to all of the hospital staff. "Guess Who?"

This Week On The Home Front

Donald M. Nelson's high-speed war production drive was in full swing during the last week. Day by day war production is accelerated. The faster the war factories from the more materials they demand.

Priority preference orders go out from Washington diverting materials from the home front to the battle front. Then come scarcities at home. With scarcity, rationing and limitation orders. Prices go up in some scarce lines. Government's answer to that is price ceilings. This is a thumb-nail explanation of every item of news in this column.

Management and Labor were called together in 31 regional meetings by Mr. Nelson. They're checking their pistons of old arguments at the gates of the war production plants, and joining in an all-out production battle against the Axis.

Mr. Nelson summed up his official attitude on the management-labor question in remarks to a labor delegation:

"I am interested these days in just one thing—getting the most war production we can possibly get, and getting it in the shortest space of time. As far as I am concerned, everything else is secondary to that."

"So let's get down to cases and talk frankly about this situation. We're going to see to it that nobody pushes you around—but we're going to see to it that Labor doesn't push anyone around either. There's a small number of short-sighted employers at one end of the line—there's a small number of short-sighted labor folks at the other end of the line—I don't propose to see either group taking advantage of this situation."

Last week recorded the first punitive action by the War Production Board against a violator of priorities regulations. To get special priority rating for defense housing materials, builders must agree to sell the houses only to defense workers and for not more than \$6,000 each. The board found that the Stearns-Mishkin Co. of Washington, D. C., after getting priority assistance, sold houses to non-defense workers and for prices up to \$7,750. For sixty days, the company can obtain no building materials, and can get back into the building business only after it has modified its existing sales contracts to meet the \$6,000 maximum price, made restitution to purchasers of the excess charge, and advertised all its buildings at not more than \$6,000. Matthew G. Lepley, architect, is affected by the order.

An estimated 500 pounds of scrap metal will be found on every farm in the United States. Problem is moving it. WPA has been enlisted by the WPA Bureau of Industrial Conservation to help State Salvage Committees and Department of Agriculture County War Boards to furnish labor and trucks where needed. There are 6,500,000 farms in America. Much scrap has been moved off, but it is believed that one to two and one million tons of metal remain, because of transportation difficulties.

Office of Price Administration announced reduction of \$5 a ton for meat scraps and \$6 a ton for digestible tankage used for blending balanced rations for hogs and poultry. Ceiling prices on fish meal are continued. OPA set a price schedule on animal product feeds on January 20, at January 17 levels, to check advance of 20 per cent following outbreak of the war.

In the broadest action yet taken to combat price inflation the OPA set maximum retail prices on seven major items of household appliances and typewriters. The order includes refrigerators, radios, vacuum cleaners, ironing machines, phonographs, heating and cooking stoves and ranges, manufacture of which has been either drastically curtailed or stopped. The order was issued because of sharp price increases. "Enforced scarcity will not be permitted to dictate the price of any article subject to OPA control, now or in the future," Acting Price Administrator John E. Hamm said. Dealers must post the OPA price conspicuously in their stores, and cleaners sold from door to door, must bear an OPA price label.

Price ceilings on cigars fixed by OPA on December 30 for Parker Seed Company.

Alpha Club Meets Saturday Afternoon

The Alpha Department of the Murray Woman's Club held the regular meeting Saturday afternoon at the club house on Vine Street. The auditorium was bright with alternating with green and yellow candles in crystal holders.

Mrs. E. J. Beale, chairman, conducted the routine business session, following which a very interesting program was given. Miss Lora Frisby read an excellent paper on Argentina. The Rev. Leon A. Haring discussed Venezuela's progress in its political and industrial growth.

A social hour followed during which refreshments were served from an attractively appointed table which was covered with a lace cloth and held a large bowl of jonquils as centerpiece. Hostesses were Mrs. Annie Young, Mrs. Ruth Ashmore, Miss Gladys Snyder, Mrs. Cleo Gillis Hester and Miss Ella Wehling.

Tex Compliments Mrs. Wilder

Mrs. Charles G. Wilder entertained at a lovely tea at her home on South Sixth Street Saturday afternoon in compliment to Mrs. Wilder's mother, Mrs. Frank A. Wilder of North Holston, Va. The rooms were attractive with bouquets of spring flowers in a color scheme of yellow and white. The table was covered with a lace cloth and held a centerpiece of mixed spring flowers in yellow and white. A dainty tea course was served.

The hostess was assisted in receiving and entertaining the guests by Mesdames A. M. Wolfson, E. S. Duiguid, Jr., Wells Overby, Leon A. Haring, George M. Baker and C. S. Lewis.

Approximately forty guests called between the hours of four and six o'clock.

Almo Homemakers Hold Meet. At The Home of Mrs. Lewis

The Almo Homemakers met at the home of Mrs. George Lewis with thirteen members present. The meeting was called to order by the president and the club repeated the Lord's prayer in English. The members responded to the roll call with an Irish song.

New and old business was discussed. The club's part in assisting with the district Federation was discussed, also the county club party Friday night. Plans were made to fund the club quilt which was quilted this month.

The major lesson this month was given by the foods leader, Mrs. Carols Roberts, on "Convalescent Trays." The tray was demonstrated and the food arranged in a very attractive manner. How to prepare foods for the sick person was discussed and prepared for the guests to see.

The minor lesson was on gardening and also our clothes leader gave the members a pattern of a collar frill.

Refreshments were served by Mrs. Guy Lovins and Mrs. Roberts. They were in keeping with the recipes studied this month.

Games were enjoyed and prize contests given, with Mrs. Kermit Phillips winning prizes. The next meeting will be held on April 22 at the home of Mrs. Tay Taylor.

Character Builders Class Gives Luncheon

The Character Builders Class of the First Christian Church entertained at luncheon, Wednesday at the home of Mrs. Marvin Fulton when their invited guests were shut-in members of the church. The honorees, seated at the large dining table which held a centerpiece of snapdragons, were Mrs. B. G. Humphreys, Mrs. Oser Graham, Mrs. W. H. Bailey, Mrs. Nellie Ivey, Mrs. M. E. Daniels, Mrs.

Dollie Moser and Mrs. Lola Jones. Those unable to attend were Mrs. Bush Houston, Mrs. Jim Cole, Mrs. Virgie Stubbfield and Mrs. E. S. Duiguid, Sr. Class members were seated at small tables in the living room.

Miss Reubie Wear was toastmistress and made a beautiful talk appropriate to the occasion. The occasion being the birthday of Mrs. Humphreys, she was especially honored when the group rose and sang "Happy Birthday to You."

There were about thirty present.

Mayor Hart Speaks To P-T-A

The Parent-Teachers Association of Murray High School met Wednesday afternoon in the auditorium with Mrs. A. D. Butterworth presiding. The meeting was opened with the singing of "God Bless America" by the entire group, following which the business session was held.

Miss Mary Jo Pentecost entertained with a vocal solo, and Miss Eula Nell Thurmond with a clarinet solo. The declamation was led by Mrs. Wanda Crawford. Dr. J. A. Outland spoke briefly on epidemics which are prevalent at the present time and their treatment. The principal address of the afternoon was given by Mayor George Hart. His subject being "Civic Responsibility."

The May meeting will be a joint meeting of Murray, Hazel, Lynn Grove and Almo associations.

"WHERE MEN TRADE"

One of the most attractive programs to be presented by the College Concert Series will be the Edwin Strawbridge Ballet, a group of 10 dancers, which will be given in the college auditorium on April 13.

The word "ballet" is somewhat misleading to the general public in connection with this troupe. This program will portray the stirring, red-blooded story of Daniel Boone, depicted in dances. Interpretive dances necessary for such a story will necessarily require great physical endurance and strength and the skill of a contortionist.

The program will start at 8:15 p. m.

Ballet Scheduled April 13 at Murray

Tickets for the Murray State fifth annual "M" Club Follies went on sale Monday, March 23. Reservations may be made with Jess Hahn or George Speth at the men's dormitory.

The 1942 edition of the Follies to be presented April 8, is under the direction of Jess Hahn, whose tireless work has done much to make the show a great success. Music will be furnished by Wayne Johnson and his orchestra, a new and promising band. The club goes to extremes when it brings to the spotlight "lanky" Bob Salmons, Beloit, Wis., and then reaches deep into Dixie to present Fred Canas, Sanford, Fla. These two members share the vocal honors.

James Hargis, Route 2, Kirksey, was the first man to far as could be determined, to buy a new suit without cuffs on the trousers in Murray since the new regulations went into effect.

The new government rule is that no cuffs may be placed on any wool trousers sold after March 30.

Mr. Hargis, it is reported, took the ruling in a fine spirit. The material in the cuffs, which is about two per cent of the entire suit, is to be returned by dealers to the manufacturers.

10 LOCAL STUDENTS TAKE TO THE AIR

The second quota of 10 students took to the air for the first time Wednesday, March 25. This quota includes the following students: Harold Victor Deering, Underhill, Wis.; William Adair Crawford, Murray; Garnett Hood Jones, Murray; Jack Oliver Lambert, La Porte, Ind.; Morris Royster, Roberts; Joseph Andrew Russell, Portsmouth, Ohio; Leonard Theodore Sassen, Mayfield; Franklin Walter Shires, Obion, Tenn.; John Austin Stume, Decatur, Ill.; and Elmer Stanley Witherspoon, Princeton.

Golo News

Hello everybody! Please let me come in on the news this week. Everybody was busy this week planting potatoes and peas until Thursday night brought Old Jack Frost to visit us again. So we will all have to wait for spring again.

We were very sorry indeed to hear of Mrs. R. B. Cope being admitted to the hospital Wednesday night. We hope she recovers soon.

Mrs. Lee York honored her son and wife, Mr. and Mrs. Luther E. York, with a kitchen and household shower Thursday afternoon, March 26. There were 57 present, all bringing nice and useful gifts. Refreshments were served. Everyone had a nice time.

Mr. and Mrs. Fred Carson visited Mrs. Carson's brother and sister, Voris and Zera Roach, Saturday night.

A Bible institute was given at New Home Baptist church Sunday. A large crowd attended. Everyone seemed to enjoy the sermons that Bro. Farmer, Bro. Chandler and Bro. Leo Gayley delivered. At the noon hour a nice lunch was served on the lawn.

Keep writing "Teddy Bear," I enjoy reading your letters.

Recipes for Saving Sugar Are Listed by Soph Home Ec Girls

The Sophomore Home Economics class of Murray high school has made a study of sugar and sugar substitutes, and offer the following facts and recipes to those who are interested in conserving sugar.

They found the following facts about sugar and sugar substitutes:

1. The rationing of sugar is upon us; every ounce that we save every household sacrifice that we make will release more and more of that precious commodity now so necessary for use in making munitons.

2. In measuring honey or thick syrup, first measure fat in the cup or spoon, or use a moist or greased cup.

3. Honey is a bit sweeter to the taste than cane sugar, so use it sparingly on fruit, cereals and puddings.

4. Sugar provides energy only. Molasses and syrup give energy, calcium and phosphorus.

We have listed below some recipes for sauces and pies that will aid in saving sugar.

Baked Apples Without Sugar

Fill cored apples with 1 tablespoon honey, corn syrup, chopped dates, raisins, marmalade, or chopped popcorn, mixed with corn syrup in proportion of two tablespoons of syrup to a cup of corn.

Put on-quarter inch of water in pan. Bake until tender and serve apples in pan with syrup as sauce.

Prune Filling For Pie

1/2 lb. pitted prunes

1/3 cup corn syrup, or 1 tablespoon cornstarch

1 cup water

2 teaspoons lemon rind

1/2 tablespoon fat

Wash and scald prunes. Soak ten minutes in the water. Simmer until tender. Rub through colander. Add other ingredients, well blended. Bring to boiling point. Use as filling for pastry.
